REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest the method as claimed including designating the total treatment region divided into a first second and third treating region and applying the north pole surface of the magnet means to cover at least a part of one of the treatment regions for the designated time and applying the total flux as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Samuel G. Gilbert whose telephone number is 571-272-4725. The examiner can normally be reached on Monday-Friday 6:30-4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patricia Bianco can be reached on 571-272-4940. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
